elevated lunchtime menu where Mediterranean-Japanese flair and immersive tableside experiences unfold.

Starter options are flavourful and inventive: think pumpkin bravas topped with creme fraiche, seabream carpaccio laced with apricot and fennel, or veal and endive salad. For the main event, choices include ginger miso cod with yuzu, lamb rump with chili ragu and chicken kiev with Tokyo turnip.

Add a sweet ending and opt for one of the must-try desserts, like sticky toffee pudding, dark chocolate and marshmallow or the standout Basque cheesecake.

Whether you opt for two courses or three, each meal can be perfectly paired with Haiya teas served in whistling teapots and bespoke juice blends poured like fine wine. This is business lunching in style, after all.
